Teaching is a social and professional activity. It is a system of action which includes learning through interpersonal relationship. In the 21st century, the ever increasing needs of individual and society are placing a heavy burden on education. Traditional structures and modes of teaching appear less and less responsive to the challenges of today's turbulent times. One of the major changes in education has been a shift from teaching to learning. A teacher needs to change with the changing time in order to be productive.

The main theme of seminar is "Challenges of Present Day Teaching in Higher Education". Papers are invited on any of the following sub themes:

1. Academic Autonomy of Teachers
2. Research based Teaching
3. Student Centric Learning
4. ICT Based Teaching/ Learning
5. Enabling Environment in Institutions

Original research paper(s), case studies supported by recent data covering one or more of the themes are invited for presentation in the seminar. Abstract, not exceeding 300 words, in Times New Roman font size 12, A4 size single spaced, with full title must include name of author(s), proposed themes mailing address, phone and e-mail may be submitted to the convener of the seminar through e-mail :

About The College :

Commitment to grow and Integrity for a sustainable future are the core values of Government College, Jukhala. To follow these values in action and spirit, Government College, Jukhala came into existence in 2007 and since then it has been marking its way in the academic productivity. It is situated at the base of the Bandala Range, with the river Pushpbhadra flowing close by. The college is a ten minute walk through the fertile fields, from the famous Rishi Markandeya temple which is known for the holy water spring having medicinal qualities. It is half an hour drive from the district head-quarter of Bilaspur town.

The college was bestowed with one of the most modern and well equipped building in 2012. It has started from scratch and is making its presence felt slowly providing education to the students around the Dawin Valley. The campus of the college is spread on a vast stretch of land, consisting of sprawling lawns and serene environment.

Affiliated to the H.P. university vide notification 1/347/2007HPU (Acad), the college, at present offers various U.G. courses in the faculties of Science, Arts and Commerce with an inter-disciplinary approach under the CBCS(RUSA).
