On Anti-Drugs Abuse Day, the Rover and Ranger Unit of Government College Jukhala took a pledge to fight against drug use. They promised to stay away from drugs, help others do the same, and spread awareness about the dangers of drug abuse. The unit aims to set a good example and work towards a drug-free society for a better future.

Ranger Palak, a BSc III year student from Government College Jukhala, actively participated in the Rajya Puruskar Camp at STC Rewalsar, Mandi. This camp is a significant event in scouting and guiding, where students get the chance to enhance their leadership skills, take part in various community service activities, and learn important life lessons. Her participation highlights her commitment to personal growth and contributing to the welfare of the community.

The Rover and Ranger unit of Government College Jukhala conducted a cleanliness drive, showcasing their commitment to environmental awareness and social responsibility. This drive aimed to promote hygiene and cleanliness on campus and in the surrounding community. The Rovers and Rangers actively engaged in cleaning public spaces, collecting waste, and educating others on the importance of maintaining a clean environment. Their efforts were a testament to the values of service, discipline, and teamwork that form the foundation of the Rover and Ranger program.

Foundation Day Celebration of Rover and Ranger Unit

The Rover and Ranger unit of Government College Jukhala celebrated its Foundation Day with great enthusiasm on 7th November 2024. On this occasion, under the guidance of Rover Leader, Assistant Professor Amit Kapil, and Ranger Leader, Assistant Professor Deepali, the unit visited Indra Daman. There, students participated in community service activities and spread messages of awareness. The aim of this activity was not only to teach students the importance of service but also to inspire them to contribute positively to society. During this visit, students learned how to make different types of knots with ropes, a skill useful for disaster management and everyday life. Such activities help develop self-reliance and a spirit of service among students.

This important event at the college not only raised awareness about community service among students but also highlighted the role and contribution of the Rover-Ranger unit.
